RFR Grant

3. The Owner grants to the Municipality a right of first refusal to purchase the fee simple title to the Strata Lot on the terms of this Agreement. The Owner agrees that it must not sell, assign or in any way transfer (collectively, "Sell", "Sale" and "Sold") any of its Interest to any person other than the Municipality unless that Interest is first offered for Sale to the Municipality in accordance with section 4. Subject to sections 5 and 7, the Municipality has 15 business days from the date on which it receives the notice under section 4 to elect to acquire the Strata Lot on the same terms as those of the Offer (including purchase price) except that the agreement of purchase and sale created by that election to purchase is to be on the terms set out in sections 11 through 31.

Offer Notice

4. If the Owner receives an Offer which the Owner is willing to accept, the Owner must at once give written notice of the Offer to the Municipality and must deliver a copy of the Offer along with that notice. If the Municipality wishes to exercise its right of first refusal pursuant to section 3 or its option to purchase pursuant to section 5, the Municipality will give the Owner written notice of such exercise on or before the date which is 15 days after the Municipality receives the written notice of the Offer pursuant to section 4 and if the Municipality fails to give such written notice within such 15 business day period, the Municipality's right of first refusal and option to purchase will be deemed to be waived for the Sale of the Strata Lot in accordance with the Offer if and only if the Owner complies with sections 7(a) to (c), but for greater certainty the Municipality's right of first refusal and option to purchase will continue to apply to any other Offer, whether made within the then existing Owner or any other Owner.

Option to Purchase

5. Despite section 3, the Municipality may elect, as an option to purchase hereby granted to the Municipality, to purchase the Strata Lot:

- (a) for the purchase price that is the lesser of:
 - (i) the purchase price set out in the Offer; and
 - (ii) the Maximum Price; and
- (b) on the terms set out in sections 11 through 31.

Price

6. For the purposes of section 5, the purchase price is to be determined in accordance

with the following:

- (a) In this section, "First Sale Price" means the amount determined by multiplying the Gross Floor Area by \$155.00.
- (b) If the fee simple title to the Strata Lot is entered into at any time between the date on which the Strata Plan was deposited in the LTO and one year after that date ("First Year"), the purchase price must not exceed the amount (in this section "First Year Sale Price") that is the greater of:
 - (i) the First Sale Price; and
 - (ii) the amount determined by multiplying the First Sale Price by 1.034 and then multiplying the result by the number determined by dividing the number of days in the period described above in this paragraph by 365.
- (c) If fee simple title to the Strata Lot is transferred at any time after expiry of the First Year, the purchase price of the Strata Lot must not exceed the amount determined in accordance with the following:
 - (i) with respect to each quarter, the Owner must establish the factor (in this section "Price Control Index") in respect of each quarter that is determined by subtracting 2.0% from the Prime Rate in effect on the first day of each quarter and multiplying the result by 0.1;
 - (ii) with respect to the first year beginning immediately after expiry of the First Year, the purchase price for the Strata Lot must not exceed the amount determined by adding to the First Year Sale Price the amount (in this section "Quarterly Adjustment") determined by multiplying the Price Control Index by the First Year Sale Price at the beginning of each quarter in that year and adding each Quarterly Adjustment to the First Year Sale Price and compounding with respect to each whole quarter within that period to the date of the sale, and if necessary adding an amount to prorate from the end of the last whole quarter to the date of the completion of the sale; and
 - (iii) with respect to each year after that described in section 6(c)(ii), the sale price for the Strata Lot must not exceed the amount determined by compounding and pro-rating the purchase price as at the end of the immediately preceding year in accordance with the method set out in section 6(c)(ii), which applies with the necessary changes.
- (d) If an appraiser who is a member in good standing of the Appraisal Institute

of Canada who has been retained by the Owner at the expense of the Owner determines that the Owner has made capital improvements to the Strata Lot any Dwelling Unit located on the Strata Lot that materially increase the market value of the Strata Lot beyond the sale price otherwise permitted under this section, the Municipality may, in its sole discretion, permit the Owner to increase the sale price for the Strata Lot by an amount commensurate with the increase in market value as certified by the appraiser in his or her report to the Owner.

- (e) Following closing, the Owner must deliver to the Municipality a certified copy of the vendor's statement of adjustments with respect to Sale of the Strata Lot by the Owner, and must deliver to the Municipality upon request such further evidence as the Municipality may reasonably require to confirm the purchase price of the Strata Lot. If the Owner sells the Strata Lot for a purchase price exceeding that permitted under this section, the Owner must pay the excess to the Municipality within 30 days after written demand is made by the Municipality, with any amount remaining unpaid after those 30 days bearing interest at the Prime Rate in effect from time to time, calculated from the date due until the date paid and compounded annually not in advance.

Notice of Election or of Waiver

7. As an alternative to election under sections 3 or 5, the Municipality is entitled to give notice to the Owner that the Municipality agrees to waive its rights thereunder with respect to a specific Offer. The Municipality must give notice under this section within 3 business days from the date on which it receives the notice under section 4. If the Municipality gives notice under this section, the Municipality's rights are deemed to be waived only if:

- (a) the Owner delivers to the Municipality, within 5 days after notice of waiver is given by the Municipality under this section, a valid and binding written agreement of purchase and sale between the Owner and the Third Party in respect of the Interest and substantially on the terms and conditions of the Offer ("Eligible Contract");
- (b) subject to section 8, at least 5 business days before completion of the sale to the Third Party the Owner delivers to the Municipality written proof, satisfactory to the Municipality, in its sole discretion, that:
- (i) the Third Party is:
- (A) an Employee; or
- (B) a Retiree; and

- (ii) the Eligible Contract cannot be assigned or transferred by the Third Party; and
- (c) at least 5 business days before completion of the sale to the Third Party the Owner delivers to the Municipality written proof, satisfactory to the Municipality, in its sole discretion, that the purchase price payable by the Third Party under the Eligible Contract does not exceed the Maximum Price.

If the Owner does not comply with sections 7(a) through (c), the Municipality's rights under sections 3 and 5 are deemed not to be waived and the Municipality is instead deemed to have made an election under section 5 to purchase the Strata Lot. The Owner agrees that every Eligible Contract entered into by the Owner must contain a provision by which the Owner and the Third Party with whom the agreement is entered into agree that the agreement is subject to a condition precedent for the benefit of both, that may not be waived by either of them, such that the agreement becomes void and unenforceable unless the Municipality's rights are deemed to be waived in accordance with sections 7(a) through (c).

Exception to RFR and Option

8. The Municipality agrees that its rights under sections 3 and 5 do not apply in any of the following cases:

- (a) if the Owner is a Lender and the Lender has for at least 45 days used reasonable best efforts to enter into an Eligible Contract, including by listing the Interest for Sale with the Municipality or with a licensed real estate agent ("Agent"), or both, but has been unable to enter into an Eligible Contract within the 45 days:
 - (i) the Lender may after that time Sell the Interest to a Third Party who is not an Employee or Retiree, but the purchase price for the Interest must not exceed the Maximum Price; and
 - (ii) the Strata Lot may only be used and occupied in accordance with the Housing Agreement;
- (b) if the Owner is a Lender and the Lender has for at least 90 days used reasonable best efforts to enter into an Eligible Contract, including by listing the Interest for Sale with the Municipality or with an Agent, or both, but has been unable to enter into an Eligible Contract within the 90 days:
 - (i) the Lender may after that time Sell the Interest to a Third Party who is not an Employee or Retiree and the purchase price for the Interest

may be different from the purchase price calculated in accordance with section 6; and

- (ii) the Strata Lot may only be used and occupied in accordance with the Housing Agreement;
- (c) if the Owner is a Lender and the Lender has for at least 120 days used reasonable best efforts to enter into an Eligible Contract, including by listing the Interest for Sale with the Municipality or with an Agent, or both, but has been unable to enter into an Eligible Contract within the 120 days:
- (i) the Lender may after that time Sell the Interest to a Third Party who is not an Employee or Retiree and the purchase price for the Interest may be different from the Maximum Price; and
 - (ii) the Strata Lot may be used and occupied subject only to all enactments applicable to the use of the Strata Lot and the Housing Agreement will not apply; and
- (d) if the Owner is not a Lender and the Owner has for at least 45 days used reasonable best efforts to enter into an Eligible Contract, including by listing the Interest for Sale with the Municipality or with an Agent, or both, but has been unable to enter into an Eligible Contract within the 45 days:
- (i) the Owner may after that time Sell the Interest to a Third Party who is not an Employee or Retiree, but the purchase price for the Interest must not exceed the Maximum Price; and
 - (ii) the Strata Lot may only be used and occupied in accordance with the Housing Agreement.

The Owner agrees that:

- (e) for clarity, this section applies each time an Offer is received by the Owner and each time the Interest is Sold;
- (f) it must deliver to the Municipality written proof satisfactory to the Municipality, in its sole discretion, to establish the existence of any of the cases set out in this section before this section operates such that the rights of the Municipality under sections 3 and 5 do not apply.

Interest Disposal

9. Subject to section 7, if the Municipality does not make an election under sections 3

or 5 within the period set out in section 4 waives its rights in accordance with section 7, the Owner may dispose of the Interest upon substantially the same terms as those of the Eligible Contract, but not otherwise, and if the Owner does not so dispose of the Interest, this Agreement and the rights it grants to the Municipality continue in force at all times. For clarity, even if the Municipality does not elect to Purchase the Strata Lot under sections 3 or 5, or does not under section 7 waive its right to make that election, this Agreement and the rights it grants to the Municipality continue in force at all times with respect to all other Offers to Sales.

Runs With Strata Lot

10. This Agreement and the rights it grants to the Municipality run with the Strata Lot and burden and bind every parcel into which the Strata Lot is subdivided by any means (including any strata lot or bare land strata lot created by deposit of a strata plan under the *Condominium Act* (British Columbia), but not any common property created upon deposit of a strata plan).

GRANT OF PRIORITY**GIVEN THAT:**

- A. The Owner (as defined in the Section 219 Covenant dated for reference _____, 1997 to which this Agreement is attached) ("RFR/Option Agreement") is the registered owner of the land legally described in Item 2 of Part 1 of the *Land Title Act* Form C ("Land");
- B. The Owner granted Royal Bank of Canada ("Prior Chargeholder") a mortgage which is registered against the title to the Land in the Vancouver/New Westminster Land Title Office ("LTO") under number BK83757 ("Prior Charge");
- C. By the RFR/Option Agreement, the Owner granted to the Resort Municipality of Whistler ("Subsequent Chargeholder") a covenant described in the RFR/Option Agreement ("Subsequent Charge"); and
- D. The *Land Title Act* permits the Prior Chargeholder to grant priority over a charge to a subsequent chargeholder.

This Priority Agreement is evidence that in consideration of \$2.00 paid by the Subsequent Chargeholder to the Prior Chargeholder (the receipt and sufficiency of which are hereby acknowledged) the Prior Chargeholder grants to the Subsequent Chargeholder priority over the Prior Charge and the Prior Chargeholder covenants and agrees to subordinate and postpone all its right, title and interest in and to the Land with the intent and with the effect that the interests of the Subsequent Chargeholder in and under the Subsequent Charge are the same as if the Subsequent Charge had been executed, delivered and registered against the title to the Land before registration of the Prior Charge.

As evidence of their agreement to be bound by the above terms of this Priority Agreement, the party described in this Priority Agreement as the Prior Chargeholder has executed and delivered the *Land Title Act* Form D to which this Priority Agreement is attached and which forms part of this Priority Agreement.
